

Five Rules for bicycle safety

1. As a rule, cyclists must ride on the left side of the road. Pedestrians have the right of way on the sidewalks. Cyclists can ride on the sidewalks with exceptions.

2. Cyclists must stop at the traffic signals or the stop signs and confirm safety.

3. Keep bicycle headlight on at night.

4. Drinking and cycling is prohibited.

5. Wear a helmet.

All cyclists are applicable.

Follow the traffic rules for cyclist!!
