

外国免許切替審査・知識確認(必要な方のみ)の混雑状況について

Regarding availability of pre-screening/traffic rule knowledge check (only for those who require it) for exchanging a foreign driver's license with a Japanese driver's license

現在、外国免許切替は希望者多数のため、事前審査の受付が非常に混雑しています。

Currently, the pre-screening reception window is very crowded due to a large number of applicants.

事前審査当日は開始まで長時間お待たせしてしまうことになります。

It will take a longer time than expected before the pre-screening begins on the day.

また、事前審査終了後の知識確認（必要な方のみ）予約状況は約4～5か月程度となっています。あらかじめご了承ください。

Kindly note that reservations for the traffic rule knowledge check (only for those who require it) can only be made about 4 or 5 months in advance after you have completed the pre-screening.
